Hotel Fit-Out

PROFESSIONAL SUMMARY

Versatile Accounting and Operations professional with UAE experience across accounting, finance, procurement, purchasing, project coordination, client management, staff supervision, and business operations in the interior fit-out industry. Joined Introyale Interiors LLC (Abu Dhabi) as an Accountant and, within the first 5–6 months, took on additional responsibilities across company operations, procurement, project coordination, client management, staff supervision, and HR-related activities. Handled the complete workflow from client RFQ and quotation preparation through LPO receipt, material sourcing, purchasing, project scheduling, workforce coordination, and client follow-up. Worked directly with major hotel clients in the UAE and coordinated with purchasing, housekeeping, finance, operations, and engineering teams. Managed daily work allocation and scheduling for approximately 25–30 staff. B.Com graduate seeking Accounting, Finance, Procurement, Operations, Project Coordination, Administration, and related roles in the UAE.

PROFESSIONAL EXPERIENCE

INTROYALE INTERIORS LLC — Abu Dhabi, UAE

27 Oct 2023 – 16 May 2026

Accountant → Expanded Operations, Procurement & Project Responsibilities

Industry: Interior Fit-Out / Hotel Projects

Accounting & Finance

- Managed day-to-day accounting activities including purchase entries, sales entries, accounts payable (AP), and accounts receivable (AR).
- Recorded and maintained financial transactions and supporting documentation required for financial and operational activities.
- Prepared invoices, maintained billing records, monitored customer outstanding balances, and followed up with clients on receivables by email and telephone.
- Prepared VAT-related records and handled VAT preparation and filing activities.
- Coordinated financial follow-ups connected with ongoing business and project activities.

RFQ, Quotation & Client Coordination

- Managed the quotation workflow from client RFQ receipt through requirement review, site visits, hotel client meetings, quotation submission, follow-up, and approval.
- Prepared quotations and calculated project pricing based on requirements, materials, labour, and related costs; coordinated with purchasing teams and suppliers for material information and pricing.
- Submitted quotations, followed up on clarifications and approvals, maintained client communication, processed approved LPOs, and initiated procurement and project execution.

Procurement & Purchasing

- Managed material sourcing after receiving approved client LPOs and identified suppliers according to project requirements.
- Obtained and compared supplier quotations; negotiated purchase prices and coordinated procurement according to project budgets and deadlines.

- Calculated project-related costs, monitored expenses, and worked to minimize unnecessary expenditure while meeting project requirements.
- Coordinated purchasing and material delivery schedules with project deadlines and followed up with suppliers on availability, purchasing, and delivery.

Project Coordination & Execution

- Coordinated interior fit-out projects from initiation through execution, prioritizing approved LPOs according to client deadlines.
- Prepared project and workforce schedules; coordinated materials, staff, suppliers, and internal teams; and monitored ongoing and upcoming project requirements.
- Communicated with clients on progress, requirements, approvals, and schedules; attended meetings and coordinated between hotel representatives and internal teams.
- Coordinated with purchasing managers, housekeeping managers, finance, operations, and engineering departments.
- Prepared daily work schedules, assigned tasks and deadlines, followed up on progress, and coordinated staff according to project priorities.

Staff & Operations Management

- Expanded from Accountant into company-wide operations within approximately 5–6 months, handling day-to-day operational coordination alongside accounting.
- Supervised and coordinated approximately 25–30 staff, including daily schedules, work assignment, deadline communication, and workforce planning.
- Supported HR-related staff management activities and acted as a key coordination point between management, staff, clients, suppliers, and project stakeholders.

TUBEES FOODS — Junior Accounts Assistant2022 – 2023

- Assisted with recording daily accounting transactions and maintaining financial records and accounting documentation.
- Supported invoice preparation, payment follow-ups, and routine accounting and administrative activities.
- Supported general office and operational requirements.
